

PERSONAL INFORMATION

E-mail: nickydyakov@gmail.com

Website: <https://nickydy.github.io/>

Sex: Male

Nationality: Bulgarian

Birth date: September 22, 1975

EDUCATION

B.Sc. Ecology and Environmental Protection, [University of Forestry](#), Sofia, Bulgaria, 2004;

M.Sc. Environment Protection and Ecological Monitoring, [University of Forestry](#), Sofia, Bulgaria, 2006 (*[Spatial Patterns of Small Mammal Communities at Two Regions of Tundja's Hilly Plain](#)*);

Ph.D. *[Gradient analysis of vegetation on the south slope of Vitosha Mountain](#)*, [University of Forestry](#), Sofia, Bulgaria, 2013;

WORK EXPERIENCE

1 Data Analyst: SAPI Ltd – 2023-2024;

2 Freelance Data Scientist: [Upwork](#) - 2022-present;

3 Freelance Data Scientist and Biostatistician: [Kolabtree](#) - 2019-present;

4 Associated Editor: [Applied Ecology and Environmental Research](#) – 2016-present;

5 Manuscript Editor: [Crimson Interactive](#) – 2018-2018;

6 Manuscript Editor: [Cactus Communications](#) – 2017-2017;

7 Assistant Professor: [University of Forestry](#), Sofia, Bulgaria – 2006-2017.

TECHNICAL SKILLS

Mother tongue: Bulgarian

Other languages: English

Listening: B2 Reading: B2 Speaking: B1 Writing: B1

Computer skills:

1 Linux/Windows Office (Word, Excel, etc.);

2 R (*[tidyverse](#)* - ggplot2, readr, purrr, dplyr, tidyr, forcats, stringr, tibble; *[tidymodels](#)* - rsample, recipes, parsnip, tune, yardstick; *[lubridate](#)*, etc.).

RESEARCH PROFILE

vegetation ecology, gradient analysis of vegetation, plant diversity, plant conservation, invasive plant species, vegetation succession, vegetation disturbance, vegetation assembly rules

RESEARCH PROJECTS

- 1 Secondary succession following windthrow in a beech forest – 2016-2017;
- 2 Mapping of species distribution and habitat conservation status assessment – 2013;
- 3 Alien species invasion of riparian forests on the territory of Maintained Reserve “Dolna Topchia” according to environmental gradients and management regime, Southeastern Bulgaria – 2009;
- 4 Gradient analysis of vegetation on the south slope of Vitosha Mountain, Western Bulgaria – 2008-2009;
- 5 Secondary succession following windfall on the territory of study and training forestry unit “G. Avramov” – Yundola, Bulgaria – 2006;
- 6 Spatial patterns of small mammal communities in two regions of Tundzha River’s hilly plain, Bulgaria – 2005;
- 7 Biodiversity assessment of Eastern Rhodopes, Bulgaria – 2005.
